vive him.

TIN MILLINERY IS LATEST STUNT OF EUROPE'S FASHION

London, March 7.—(Correspondence
of The Associated Press.)—"Tin
millinery" is now being exhibited in
the windows of London hat shops.
Recognition of the protective value
of the straw hat has led to an
increasing demand for this form
of head gear.

Several firms of outfitters now in-
clude "tin hats" as part of their
regular stock, and one large London
house advertises helmets, both
for men and for women. The hel-
mets designed for the more decor-
ative sex cost just twice as much as
the male headgear, the difference in
price being due to the fact that the
ladies' helmets are fitted with a
superior lining and have a jaunty
little bow on the top. The advertise-
ments say that the helmets for
women have "daintily trimmed lin-
ings" and are "very smart."

GIRLS, WRITE HIM.

Raymond Brunel is a lonely
soldier with the Belgian army. For
more than two years he has been
living in the trenches and improv-
vised barracks and he is "fed up"
on war. But even in face of all
these hardships he would be per-
fectly satisfied if he received an
occasional letter from an American
girl. There are two persons from
whom he now receives letters, his
mother, who resides in Belgium,
and his aunt, Mrs. Mary Clow, Mo-
line. In his letter he writes to his
mother, but he has never been in
the United States, but he re-
ceives regularly letters from young
women in America. One fellow
is said to have received as many as
fifteen in one day from as many
American girls. Brunel has written
to Mrs. Clow, asking her to
have published the announcement
that he is yearning for a letter from
an American girl, or from more
than one if they will write. His
address is 2, 312, Second company,
Belgian army.

MOLINE BOYS ATTAIN RANK.

Of the five captains in the Western
Military academy at Alton,
which is training men for actual
service, three are from Moline.
They are:
Albert C. Barber, son of Mr. and
Mrs. A. C. Barber, with rank of
senior captain, the highest in the
school.
Marie Nutt, son of Mr. and
Mrs. E. Nutt.
Lawell Johnson, son of Mr. and
Mrs. Emil Johnson.
The school also has Harold
and Merton Wallace, both of
Moline, ranking as corporals.

SCHOOL TEACHER OFFERS SERVICE

Miss Kate Louise Yourex, High
School Instructor, Enlists in
Army Nursing Corps.

Another Moline young woman is
to enter the army nursing corps,
which is separate from the Red
Cross and classed as a military or-
ganization under military direction.
Miss Kate Louise Yourex, instructor
at the Moline high school and in
charge of the public speaking
department, is the latest to offer
her services to the government.
She is expecting a call at any time
but may be able to complete the
preliminary work of school work.
She probably will go to some cam-
pment for training previous to
being assigned to overseas duty.

Miss Yourex is a Canadian sub-
ject, but will be given her final
citizenship papers at the next term
of Moline city court. Miss Yourex
is one of the most popular teach-
ers in the Plow city high school.

I. W. W. LEADERS CARRY ON PLANS IN JAIL, CHARGE

Chicago, March 25.—Complaint
was made to federal officials today
that the members of the Industrial
Workers of the World who are
being held in the Dupage county
jail at Wheaton, Ill., awaiting trial
before Judge Landis next Monday,
are harassing other prisoners with
their propaganda work.

One prisoner today demanded
that he be removed to another jail
because of the annoyance caused
by the seditious talk of the I. W. W.
members. He said the I. W. W.
tested all day and most of the
night about what their organiza-
tion intended to do and urged the
other prisoners to join.

TESTING VALUES WAR RECIPES IN SPECIAL KITCHEN

Washington, March 25.—An ex-
perimental laboratory has been es-
tablished in which representatives
of the department of agriculture
in standardizing war time recipes
and testing the value of the food
stuffs which they will be most useful.
A small building near the depart-
ment of agriculture will house the
new "kitchen." Recipes from all
over the country will be tried and
their nutritive values thoroughly
tested. The work is in line with
the laboratory work which the de-
partment of agriculture has been
doing in testing the nutritive value
of foods. Representatives of the
food administration are: Miss
Elizabeth C. Sprague, Miss Harriet
Edgworth and Miss Ethel Leflin.
Those of the department of agricul-
ture are: Miss Jean MacKinnon,
Miss Foster and Mrs. Fannie Yeat-
man.

STOWE SELECTED.

Announcement is made today
that Albert J. Stowe, former Mo-
liner now living at 916 East Thir-
teenth street, Davenport, has been
named assistant secretary of the
Davenport Commercial club, the
Greater Davenport committee and
its auxiliaries.

Mr. Stowe will start on his new
duties in a few days. He will be
right hand man to Secretary Mc-
Carthy, succeeding E. H. Leas, who
has gone to Bethlehem, Pa., to be
assistant to I. C. Norwood, who
was recently called from Daven-
port to be secretary of the Cham-
ber of Commerce there.

Stowe was born in Moline and
was graduated from the Moline
high school. He spent one year
at the University of Chicago and
then was employed for a year by
the People's Savings Bank & Trust
company. He served as reporter for
Moline and Davenport papers for
a time. He was last with the
United Agencies.

He was selected for the assistant
secretaryship of the Davenport
club from a number of applicants.

"OLD MAUD" BACK.

"Old Maud" has taken her place
nearest the door at the Central fire
station, ready to dash to the scene
of a blaze in place of the nice red
pump laid up for repairs. The
pump has been stripped of its hind
wheels and brake drums, the latter
to be replaced by new drums that
are to be shipped from St. Louis.
Though scarred and rather an ac-
cidental appearance, Maud is still
capable of doing more than fifty
miles an hour and she has a won-
derful constitution. Maud is
regarded as a wild one. She has
been on many a wild escapade in
her day, but she has lost none of
her old time speed.

DAMAGES SOUGHT.

Perl Garret, administrator of the
estate of James B. Kerley, started
action in the city court of Moline
today to recover damages of \$10,-
000 from the Rock Island road, al-
leging that her father, Mr. Kerley,
was killed through negligence of
the railroad.

Mr. Kerley was killed near the
Thirteenth street crossing in East
Moline on June 30, last year. W.
R. Moore is attorney for the plain-
tiff. Mr. Moore will maintain that
the accident was due to carelessness
on part of the train crew.

WILL SOON OPEN.

The Greenleaf Hardware com-
pany expects to be able to occupy
the new building erected at Eighth
street and Fifteenth avenue, East
Moline, within the next 10 days.

CAMP GRANT HEALTHIER.

Rockford, Ill., March 25.—The
sick list at Camp Grant has de-
creased 125 within the last week.
There are now 639 patients in the
hospital.

EAST MOLINE

H. J. Schmidt of Silvis returned
recently from a business trip to
Kewanee.

Mrs. Ollie Beal of Silvis enter-
tained yesterday at a shower for
Miss Florence Davis, who is to be
married next Saturday to Thomas
Gibson of Sherrard. The gather-
ing was made up of Sherrard and
Cable friends who have known Miss
Davis all her life and it proved a
very pleasant affair. Of 15 ladies
who enjoyed the guessing contests,
Mrs. Glen Walker received for her
efforts a small leopard and Mrs.
George Bell a pretty china pin tray.
The rooms were pretty with car-
nations. The ladies presented Miss
Davis with a beautiful cut glass
water set. Mrs. Beal served a lunch.

The Jolly 13 club were enter-
tained Saturday evening at the
home of Mayor F. O. Hartline. Five
hundred was enjoyed until a late
hour and Mrs. George Sleeth won
ladies' first prize, a work basket,
while Eli Daniels was recipient of a
"Boston bull dog." Mrs. George
Schmidt and Roy Dix came in for
the booby trophy of stationery.

There will be a meeting of the
stewards of the M. E. church of
Watertown Wednesday evening fol-
lowing the preaching services.

Mrs. Frank McGill and Mrs.
Woodley will entertain their pri-
mary Sunday school classes Satur-
day afternoon at an Easter party
at the basement rooms of the Man-
ufacturers' State bank.

Louis Haemer is confined to his
home with a severe case of tonsil-
litis.

The Y. C. club of the Baptist
church will have a party Friday
evening at their rooms. The living
room was pretty with Easter flow-
ers. Mrs. Stevens and Mrs. Mary
Shepard were visitors. The lunch
served on pretty decorated trays
was appetizing. There are no birth-
day gifts this year, instead the
money is collected and goes to the
Red Cross fund. Mrs. Thomas
Crawford will be the next hostess.

Friday afternoon Mrs. A. E.
Rockwell will entertain her card
club.

Mrs. Paul Black has been enter-
taining her parents, Mr. and Mrs.
E. Bowles of Galesburg.

Twenty-two members of the
Allshore club gathered Sunday at
the home of Candice Allshore of
Rock Island. In May Mr. and Mrs.
Dave Schaffer of Port Byron will
have the club with them.

The Sunshine Workers of King's
Daughters will meet with Thelma
Black Wednesday afternoon.

ALLEGED THIEF CAUGHT.
Alleged to have stolen the car of
Lou Mizer, East Moline, last week,
Lawrence Moss, an employee at the
Universal Tractor plant, who came
to Moline last fall, has been ar-
rested. Unable to give bail in the
sum of \$1,500, he was committed
today to the county jail by Magis-
trate Gustafson. The Mizer auto
was taken from in front of the
Edelweiss saloon, driven to the ga-
rage of the Deere company, Second
avenue and Sixteenth street, load-
ed with gasoline, and was about to
be driven away when the Deere
caretaker noticed the men at the
building and started an investiga-
tion. The car was abandoned and
last night Moss was put under ar-
rest. He admitted that he was in
the car, but said he did not know
it had been stolen and that he
merely accepted another fellow's
invitation to take a joy ride to St.
Louis.

WIFE SEEKS DIVORCE.
Charging cruelty and alleging
an instance when her husband
threatened to kill her and himself,
Mrs. Esther Johnson has filed suit
in Moline city court against Nel-
son W. Johnson. The divorce was
performed July 29, 1903, and Mrs.
Johnson asks for the custody of
their four children. Judge G. O.
Dietz has granted a temporary in-
junction restraining the defendant
from disposing of any of the house-
hold goods or real estate pending
a hearing of the case.

SPEEDER IS FINED.
J. A. Peterson, Moline, pleaded
guilty to speeding before Magis-
trate S. D. Marchant Silvis, last
evening and was fined \$5 and costs
which he paid. He was arrested
Saturday night.

ARE PUTTING UP FENCE ON TRACK

Additional Protection From Rail-
road Accidents Being Provid-
ed on Fourth Avenue.

In order to further protect the
Moline public from grade crossing
accidents which had become so nu-
merous as to call for stringent
measures for their reduction, a six-
foot iron picket fence is being
placed on Fourth avenue between
Fourteenth and Seventeenth streets,
just south of the Rock Island
tracks, so that it will be impos-
sible to walk across the railroad
right-of-way, except at the street
crossings which are now guard-
ed by uniformed policemen, in ac-
cordance with a program which was
mapped out some months ago at
a conference which city officials
held with road officials in Chicago.

Another provision of the safety
program which was approved called
for the construction of a sub-
way and this is one of the possi-
bilities of the future. All of the
gates which previous had done reg-
ularly, have been removed and in
their place regularly deputized
police officers are on duty. Acting
under instruction of Commissioner
A. C. Stouffer the guards have made
numerous arrests for train flipping,
which, officials claim, has been re-
sponsible for many accidents.

Police News

Clarence Steiner, Davenport, was
fined \$3 and costs in Moline police
court yesterday on charge of dis-
orderly conduct.

Ray Felix, charged with using
obscene language in a Moline in-
stallment plan store, was fined \$1
and costs this morning in police
court.

street, Moline, was arrested at
Third street, last evening on charge
of violating the traffic ordinance by
driving a car without the necessary
tail lights. He was to be arraigned
this afternoon.

A. E. Rahn, 1914 Seventh avenue,
Moline, will be arraigned Thursday
morning on charge of violating city
traffic ordinance. He was arrested
at Fifth avenue and Fifteenth
street early last evening.

**TRIO ALIEN WOMEN
SEEK TO BE GIVEN
FRANCHISE RIGHTS**

Three aliens, all of them women,
filed declarations of intentions to
become American citizens with
Clerk Sherrard, clerk of the Mo-
line city court yesterday. Miss
Anna S. Holmquist, 2221 Fifth ave-
nue, a graduate nurse, who came
to this country in 1903, is anxious
to become identified with Red Cross
work in France and desires to be
made a "Sammy" as soon as pos-
sible. Gerta and Ingeborg Celand-
er, sisters, 1316 Seventh avenue,
are required to take out papers be-
cause their father did not do so
before they became of age. They
came to Moline in 1900.

GETS FLAG BACK.
Mrs. John Juggenheimer, Silvis,
is happy again for she has recov-
ered the American flag which was
unfurled from the porch of her
home several weeks ago. She did
not receive her flag, however, until
Chief DeJaeger and Officer Negley
of the Moline police department
had come to her help.

The flag was stolen several weeks
ago. A few days later Mrs. Jug-
genheimer noticed it flying from a
pole on top of a box car in the Sil-
vis yards. The next day the box
car was gone.

Yesterday she passed the Natick
yards in Moline. She saw the same
box car and the flag was still fly-
ing from the roof. It had traveled
many miles during the last few
weeks.

She told her story to the Moline
police chief, Officer Negley was
sent to the Natick yards. "Return
that flag to Mrs. Juggenheimer,"
said Negley.

The men objected but finally
climbed to the top of the car and
made a motion to throw the flag to
the ground.

If you throw the stars and
stripes in that dirt you'll be ar-
rested," said Negley, and told the
section men a few of the first prin-
ciples of the manner of handling
the American flag.

The emblem was handled with
all due respect then, and returned
to its owner.

PASTOR DECIDES TO ENTER ARMY

Rev. Oliver B. Enselman Resigns
at Second Methodist Church To
Go To Camp Dodge.

Rev. Oliver B. Enselman, pastor
of the Second Methodist church,
Moline, left at noon today for his
home in Toulon, Ill., to visit re-
latives until his departure to a train-
ing camp, probably Camp Dodge,
as a private. He has been ordered
by the Stark county exemption
board to report for mobilization at
8 o'clock next Monday morning
with the next contingent.

The selective service regulations
gives exemption to all divinity stu-
dents and ordained ministers. But
Rev. Mr. Enselman, being an abso-
lute young man, saw no reason
why he should not take his place
with other men on the battlefield,
and so he waived his claim for ex-
emption and was duly called.

Appointment of his successor as
pastor of the church will be made
by the district superintendent. So
far there is no one available for
the position, and until a successor
is found the pulpit will be supplied
from another church. Edward Mor-
mon, Moline, will preach Sunday
evening.

Rev. Mr. Enselman came to Mo-
line early last fall, to succeed Rev.
A. J. Pittman. He has made many
friends in Moline, who will regret
his leaving. He was secretary of
the Ministerial union until recently
when he resigned in anticipation of
his call in the draft.

Eleventh street. And who do you
